Here is some essential information to get this quarter off to a great start!

**Important Dates**

**Week 1 - April 1**
- Instruction begins

**Week 2 - April 12**
- Study list becomes official at 11:59pm
- Classes dropped for nonpayment and wait lists dropped at 11:59pm (at the discretion of the instructor, the Geography dept may drop waitlists prior to this date)
  - Last day to drop impacted classes by 11:59pm
  - Last day to change/add/drop study list (this pertains to GEOG 199 or GEOG 198B contract courses)
  - Last day to declare bachelor's degree candidacy for current term

**Enrollment Policy**
- The department will cancel your enrollment if you do not attend at least one of the first two class meetings (for classes that meet two days each week), or the first-class meeting (for classes that meet one day each week).
- Most 24S GEOG classes are closed for enrollment. Enrollment will not be permitted if the student has not attended the first two class meetings of a GEOG course.
Switching Sections

- Need to switch sections? To switch in a different section of a GEOG course, you must find a student enrolled in the section you want to attend to switch with.
- Then send an email to the SAO, Jenée Misraje (jenee@geog.ucla.edu), with both students’ UID numbers indicating which section for each student.

2024 Dr. Antony Orme Summer Awards for Undergraduate Geography Students

The purpose of this award for Geography majors is to support up to four undergraduate research experiences in the discipline each summer. The awards range from $1,000 - $2,000, based on the awardees’ project budget. The funds are provided to support research; travel costs for a project or opportunity allowing the student to work in a lab or on a field project/course; for going to a research-based camp or for another specific research-driven activity while under the guidance and supervision of a faculty mentor. The faculty mentor overseeing the student does not have to be at UCLA and can be from another accredited college or university.

To learn about our emeriti Dr. Antony Orme, please visit – https://geog.ucla.edu/person/antony-orme/

All matriculated UCLA Geography undergraduate students are eligible to apply by submitting the following:

1) A detailed proposal of your research project
2) A budget breaking down all costs related to your project
3) A letter from a faculty member with whom you have taken a class with or who is familiar with your work

Combine ALL 3 documents in a single PDF file.

The deadline to submit your complete application for consideration is May 10, 2024. Please forward your application in the combined PDF to SAO Jenée Misraje jenee@geog.ucla.edu by the deadline.

2024-25 undergraduate Internet Research Initiative

Up to 10 undergraduates from across campus (students from all majors are encouraged to apply) will receive $7,500 prizes each to pursue their research. Prize winners will also receive seating in the UCLA Connection Lab on campus and a dedicated mentor.

Recipients of the prize will be awarded for articulating their commitment toward a well-described research project that addresses some aspect of technology development, social trends or problems, ethics, and/or justice, as it contributes to the advancement of the future Internet.
The application process is quite simple. See the website (http://www.iri.ucla.edu/application/) for application information, including our research mission statement, and FAQ (http://www.iri.ucla.edu/faq/). Applications are due April 25, 2024.

The Undergraduate Research & Creativity Showcase is an all-day virtual event hosted on the Undergraduate Research Week website on May 21, 2024, featuring undergraduate research and creative inquiry at UCLA. Applications to participate in the Showcase are due by 11:59 p.m. on April 15, 2024.

Current UCLA undergraduates from every class level and field of study, and with projects at every stage of the research and creative process, are invited to share their work as a 5-10 minute recorded or live streamed presentation, or as a creative exhibit or multimedia at the Showcase. UCLA students who have conducted a project at another institution (i.e., not at UCLA) are also eligible to present their work.

UCLA Quarter in Washington Program! The Fall 24 Quarter application deadline is April 17th, 2024.

This incredible opportunity allows you to intern in Washington, DC while remaining a full-time UCLA student. Imagine gaining hands-on experience, earning up to 16 upper division UCLA units, and making lifelong career connections on a national level. It's the ultimate Bruin adventure!

Here's the inside scoop:
- Internships Galore: Get real-world experience in the heart of the action.
- Relevant Coursework: Dive deep into topics that matter in Washington, DC.
- Life-Changing Connections: Network with leaders in your field and make a mark!

But wait, there's more! You'll take three required courses (12 units total) that will turbocharge your academic journey:
1. UCDC Seminar Credit through UCLA Political Science/History/Sociology M194DC
2. Any UCLA departmental 195CE internship course (taken for a letter grade)
3. UCLA Political Science/History/Sociology/CESC/Public Affairs M195DC

Eligibility:
All majors are welcome! You just need at least a 3.0 GPA and have at least a junior or senior standing. Offered during the Fall, Winter, and Spring quarters.

Ready to kickstart your DC adventure? Head over to this link for more information and to view the instructions to apply. Please email the Program Coordinator, Charlie Ruano, at cruano@college.ucla.edu for any questions you may have.
